Testimonials

"Absolutely fantastic holiday!"

Agnieszka Slonczewska-Neuville, Poland

Everything was organized perfectly and we can't really complain about anything. Services were delivered on time and with full security guaranteed. For us, this part was important as we have two kids of 10 and 13 years old and most of the activities we experienced for the first time. Our guide, Sergio, was fantastic. Very open person, enormous knowledge and amazing attitude towards kids.

"Simply the best"

Karen Reed McWilliams, TX

I traveled with Serendipity in 1999 before I met my husband and had kids! More than 20 years later I knew the only way for me to show Costa Rica to my family was through Serendipity. We spent almost two weeks adventuring through the country and it exceeded all of our expectations. The beauty of a Serendipity tour is that you have a plan - but there's room for spontaneous adventure as well! I would not go to Costa Rica with any other company!

"Incredible trip for two"

Sarah Powell, NJ

The Serendipity team was a pleasure to work with finding the best activities and stays for us. I highly recommend. They were also very quick to respond and answer any and all questions. They made traveling and getting to the activities easy. I also felt that it was great to have a resource to go to for any questions while we were there. Our custom trip was incredible and affordable.
